Home

Welcome to [Firm Name], a Nairobi-based top law firm for commercial law, corporate advisory, and dispute resolution in complex matter across multiple fields. Known for expertise and efficiency, our partner serve diverse clientele—local and international, individual, and corporate—across many sectors. Our partner count places us firmly beside Kenya's other tier-one law firms, guaranteeing depth and specialisation in our legal services.

About

[Firm Name] is a top law firm based in Nairobi, Kenya, for commercial law, corporate advisory, and dispute resolution. Recognised for our integrity, efficiency, and expertise, we serve a diverse clientele—local and international, individuals, families, and corporate—across a wide range of industries.

Rooted in integrity, [Firm Name] delivers resolute advocacy in litigation and pragmatic advice in transactions. Our expert team (made up some of Nairobi's top lawyers) gives strategic legal counsel to meet the needs of businesses. Whether advising on family law, complex transactions, regulatory compliance, Islamic Law, or high-stakes litigation, we deliver practical and sound legal solutions with precision and professionalism.

Our clients include multinational corporations, financial institutions, government bodies, families, and start-ups across diverse industries. From contract structuring and risk management to high-stakes litigation and cross-border arbitration, we bring clarity, confidence, and proactivity to every matter. We are perhaps Kenya's best family law firm.

[Firm Name] is grounded in deep local expertise and strengthened by an international outlook and strategic law firm alliances. With deep knowledge of the Kenyan legal system and a global outlook, [Firm Name] is trusted by multinational corporations, financial institutions, government agencies, and fast-growing enterprises.

From contract structuring and risk management to cross-border arbitration and courtroom advocacy, [Firm Name] helps clients to navigate legal complexity with clarity and confidence in Kenya and beyond.

We make it happen.

(a) Corporate and Commercial Law

At [Firm Name], we deliver top-of-the-market corporate and commercial law services. Our multidisciplinary team—comprising advocates who are dual qualified as Company Secretaries, Chartered Accountants, Actuaries, MBA, and an LLM in Financial Services Law—offers seamless, strategic counsel across legal, financial, and regulatory domains. We don't just advise—we partner with you to build resilient, compliant, and growth-ready businesses.

Led by Judith Kamoing, LLM (Financial Services Law), Charles Ndolo, Eng Mark Orok, Sian Rapei, and Lilian Kamau, Company Secretary, we ensure your business meets both legal and fiduciary standards. Our team will bring commercial acumen and a business sense to every negotiation.

- Multidisciplinary team with expertise in **law, finance, and sustainability**
- Trusted by **international investors, development partners, and local communities**

Powering Kenya's green transition—legally and sustainably. Partner with **Silk Advocates LLP** for expert legal guidance in energy, climate, and conservation law.

CONSTRUCTION, PROJECTS & INFRASTRUCTURE

Our Construction, Projects & Infrastructure practice delivers end-to-end legal solutions across the full project lifecycle—from greenfield development to operational management and dispute resolution.

Core Services

- Project Structuring & Procurement – Advising on delivery models (EPC, EPCM, DBB, DBFO, PPP), tender strategy, and contract architecture for public and private sector clients.
- Contract Drafting & Negotiation – Drafting and negotiating complex construction agreements, subcontracts, supply agreements, and consortium arrangements with risk allocation frameworks tailored to project specifics.
- Regulatory & Permitting – Navigating environmental approvals, planning and zoning, building codes, occupational health and safety compliance, and sector-specific licensing.
- Risk Management & Insurance – Structuring surety bonds, performance guarantees, latent defect coverage, and project-specific insurance programs.
- Construction Finance & Security – Advising on project financing, security packages, milestone-based disbursements, and direct agreement structures for lenders.
- Dispute Resolution & Claims – Representing clients in adjudication, arbitration, and litigation; managing delay and disruption claims, variations, force majeure, and termination disputes.
- Sustainable & Green Construction – Counsel on LEED certification, carbon neutrality mandates, sustainable materials procurement, and ESG-linked construction standards.

Focus Areas

- Digital Construction & BIM Legal Frameworks – Contracting for Building Information Modeling (BIM) collaboration, data ownership protocols, and digital twin integration in project delivery.
- Modular & Off-Site Construction – Legal structuring for prefabrication, design-for-manufacture, and supply-chain logistics in industrialized construction.
- Smart Infrastructure & IoT Integration – Advising on sensor-network deployments, data governance, and cybersecurity protocols in intelligent transport, energy, and utility systems.
- Energy Transition Projects – Legal support for hydrogen facilities, carbon capture infrastructure, renewable energy hybrids, and grid-scale battery storage construction.
- Climate Resilience & Adaptation Contracting – Embedding climate-risk allocation, resilience standards, and adaptive design obligations into long-term infrastructure contracts.

WHY US

Our Construction Law team uniquely combines qualified engineers with legal training and deep sector experience. We don't just interpret contracts—we understand how projects are built. This dual expertise allows us to strategize proactively, advise with technical precision, and when disputes arise, our top-tier litigators deliver decisive results in arbitration and court.

INTELLECTUAL PROPERTY LAW AND MANAGEMENT
